Location	Hollókő
Country	Hungary
Region	Nógrád
Language	English
Min age	18
Max age	35
Accessibility	We are open for volunteers with fewer opportunities however Creative Space is not accessible with wheel chairs. Please also consider that the activity consists of different physical works.
Number of volunteers	10
Number of male volunteers	5
Number of female volunteers	5
Total number of national volunteers	10
Vegetarian	We can offer meals according to special diets if it's clearly indicated in the application form.
Partner	<p>Creative Space is a social enterprise, training center, group accommodation and youth center hosting international and local events (exchanges, trainings, voluntary camps etc.). The center has been renovated and transformed from pension to youth and training center by international and local volunteers in the previous years and became suitable to welcome projects with very different needs and aims.</p> <p>Before the high season we would like to refresh and renew the center and its area to get ready for the summer and offer a place where youngsters can take the most out of their creativity and devotion.</p> <p>Check out the webpage of Creative Space for more information: http://kreativter.hu/</p>
Work	<p>The work consists of the renovation and reconstruction of different parts of the main building and the area around:</p> <ul style="list-style-type: none"> - Creative wall painting - Renovating the wooden fence - Reconstructing the outdoor fireplace - Creating new storage system

	<ul style="list-style-type: none"> - Creating park - Fixing bathrooms - Tidy up the bike storage
Accommodation and food	<p>Volunteers live in 4-bedded wooden houses in the area of Creative Space, next to the main building where the work will be done. All wooden houses have their own bathroom with toilet and shower.</p> <p>The address of the accommodation is: 31 Orgona street, 3176 Hollóko, Hungary.</p> <p>In the building you can find the kitchen, dining room, common social area and the laundry room. Washing machine, wireless Internet, cooking, sport and media equipment, bikes are provided.</p> <p>Cooking will be done by professional chefs. Those who indicated their special diet in the application form will get proper food according to their diet.</p>
Location and leisure	<p>The camp takes place in North-East Hungary, in a small village called Hollókő which belongs to the UNESCO World Heritage. It is 90 kilometres from the capital, Budapest. Egyesek Youth Association has been working in this very poor region for 10 years. The beautiful nature offers a lot of leisure time activities such as hiking, cycling, football. There are a lot of small museums in the village as well.</p>
Requirements	<p>We only host volunteers who sent us the VEF and fully completed our online application form.</p> <p>We ask 50€ extra fee upon arrival.</p>
Airport	Liszt Ferenc Airport, Budapest
Train/bus station	Hollókő bus station/Szécsény bus station
Note	Latest bus from Budapest to Hollókő leaves at 17.30. It takes around 1 hour to get from the airport to the bus station.
